

DML LAW: SOCIAL MEDIA DEPARTMENT

Social Media and Cyber Awareness Talks

Empowering Students, Parents & Educational Institutions

At DML, we are passionate about educating young people, parents, and educators on the opportunities and risks of the digital world. With the growing influence of social media and online platforms, it is vital to be informed, responsible, and prepared.

Our Focus Areas

We offer engaging talks and workshops covering key topics:

Social Media Awareness - Responsible and positive online presence & digital footprint.

The Dangers of Defamation - Understanding the legal risks of what is posted.

Cyber Security - Staying safe and protecting personal information online.

Cyber Bullying - Recognising, preventing, and addressing online harassment.

“Sexting” & Online Safety - Understanding the risks, consequences, and legal implications.

Work Readiness - Building a professional and safe online identity for future careers.

How We Present

Presentation Structure:

We tailor our presentations to your needs.

We offer online and in-person sessions.

Sessions can be 30 minutes or 1 hour.

Where We’ve Presented

Some of the institutions we have successfully hosted impactful sessions at:

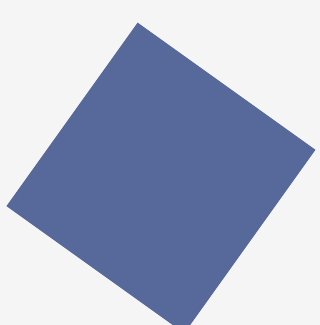

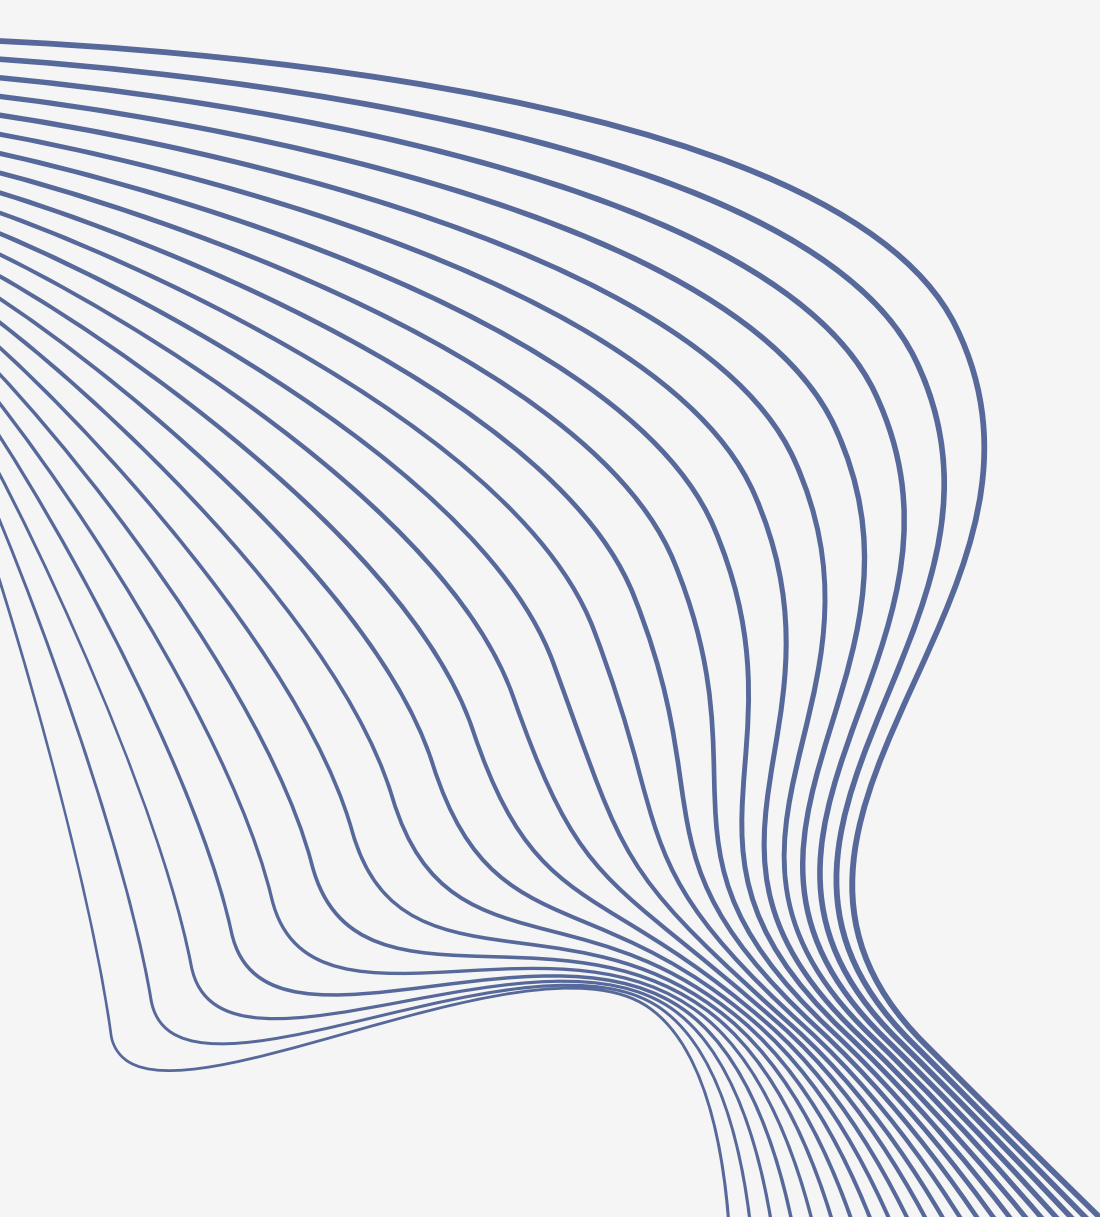

Varsity College

Parklands High School

Pinelands High School

Micklefield School

Polyoak Education Fund
